SUMMARY

"To work in a challenging and competitive environment and to contribute towards the growth and development of the organization with the responsibility and dedicated to the job as well to enrich myself with knowledge and experience."

INTERNSHIPS

Designer

Sankhya Technologies Private limited

12/2023 - 04/2024 Visakhapatnam.

- Designed the navigation & positioning module for autonomous campus vehicle
- During tenure as a designer for the Autonomous Campus Vehicle project, collaborated closely with a multidisciplinary team of four members to conceptualize, design, and implement innovative solutions for autonomous vehicle technology.
- Through this experience, enhanced proficiency in design module and gained valuable insights into the intersection of technology and user-centric design in autonomous systems.

Web Developer

Byte Uprise

05/2024 - 06/2024 Online

- During internship, played a key role in developing and designing various web projects, including a portfolio website, a landing page, and a stopwatch alarm application.
- Applied skills in HTML, CSS, JavaScript, and responsive design principles to create intuitive and visually appealing user interfaces (UI) for these projects.
- Developed a stopwatch alarm application using JavaScript, integrating functionality for accurate time tracking and alarm notifications.
- This experience not only sharpened technical skills but also provided valuable insights into project management and iterative design process in a professional environment.

Intern

JNTU-GV

07/2023 - 09/2023 Vizianagaram

- Internship not only enhanced communication and presentation skills but also deepened passion for promoting public health education in underprivileged communities.
- Provided valuable insights into the challenges and rewards of grassroots health advocacy, reinforcing commitment to contributing positively to community health initiatives.
- During internship, the privilege of visiting several government schools in Vizianagaram to educate students on the importance of healthy food
